◊ Pharmacists: 12 Group 2 credits
◊ Nurses: 6 credit hours

A unique educational seminar day that will focus on new priorities, targets and the ‘annual cycle of care’ for patients with Type 2 diabetes.

This multidisciplinary event will investigate best practice, collaborative working and the establishment of referral pathways between health professionals involved in the care of patients with Type 2 diabetes.

Expert speakers include Dr Dorothy Graham, Associate Professor Frank Jones, Helen Mitchell, Dr Jane McCarthy, Deborah Schoen and Associate Professor Alan Wright.

Organised by UWA in collaboration with the Diabetes & Endocrine Health Network and Diabetes WA
